Vonnie Bruxvoort

HOLLY CREEK

Many of our great volunteers come to us with no prior knowledge of our organization, but for Holly Creek Volunteer Vonnie Bruxvoort, there is a definite “family connection” to the Christian Living Communities. Her mother was a long-time resident at our University Hills community, and Vonnie’s daughter is employed at the CLC Corporate location.

A versatile office volunteer, Vonnie has been asked to wear many volunteer “hats,” and always does so with excellent attention to detail and good-natured graciousness. In addition to her regular office tasks, Vonnie also has been a terrific help at the Holly Creek Fall Festivals, assisting with both the Silent Auction and the Bake Sale—two of our busiest and most labor-intensive areas.

Vonnie was born in South Dakota, but when she was 17 years old Vonnie’s family moved to Denver because of her father’s health. Vonnie and her husband, Brandt (also a long-time CLC Volunteer!) raised a busy family and have now achieved the wonderful status of “great-grandparents!” In addition to all that she does for the residents and staff at Holly Creek, Vonnie also offers her volunteer services at the Johnson Center Gift Shop and in various capacities at her church. We are blessed to have such a willing and dependable CLC Volunteer!
